Library Staff (J1- J09)

Report figures as of the last day of the fiscal year. **Include all positions funded in the library's budget whether those positions are filled or not.** To ensure comparable data, 40 hours per week has been set as the measure of full-time employment (FTE). For example, 60 hours per week of part-time work by employees in a staff category divided by the 40-hour measure equals 1.50 FTEs.

To calculate FTEs for seasonal workers, I would use the following example:

- Two three month workers (.25 of year) work 15 hours a week, so
- $15 + 15 = 30$ hrs/wk
- $30/40 = .75$ FTEs
- $.75 * .25 = .1875$ FTE for entire year (based on working only three months)

Electronic Collections (K7a - K7b):

Report the number of electronic collections.

An electronic collection is a collection of electronically stored data or unit records (facts, bibliographic data, abstracts, texts, photographs, music, video, etc.) with a common user interface and software for the retrieval and use of the data. An electronic collection may be organized, curated and electronically shared by the library, or rights may be provided by a third party vendor. An electronic collection may be funded by the library, or provided through cooperative agreement with other libraries, or through the State Library. Do not include electronic collections that are provided by third parties and freely linked to on the web.

Electronic Collections do not have a circulation period, and may be retained by the patron. Remote access to the collection may or may not require authentication. Unit records may or may not be included in the library's catalog; the library may or may not select individual titles.

Include electronic collections that are available online or are locally hosted in the library.

Note: The data or records are usually collected with a particular intent and relate to a defined topic.

Report the number of electronic collections acquired through curation, payment or formal agreement, by source of access:

Item #K7a Local/Other cooperative agreements

Item #K7c (state government or state library)

Item #K7 Total Electronic Collections.

This is the sum of Local/Other cooperative agreements, and State electronic collections(Item #K7a and #K7b).

Programs (O1 - O64)

A program is any planned event which introduces the group attending to any of the broad range of library services or activities or which directly provides information to participants. Programs may cover use of the library, library services, or library tours. Programs may also provide cultural, recreational, or educational information, often designed to meet a specific social need. Examples of these types of programs include film showings, lectures, story hours, literacy, English as a second language, citizenship classes, and book discussions. Count all programs, whether held on- or off-site, that are sponsored or co-sponsored by the library. Exclude programs sponsored by other groups that use library facilities. If programs are offered as a series, count each program in the series. For example, a film series offered once a week for eight weeks should be counted as eight programs.

Note: Exclude library activities delivered on a one-to-one basis, rather than to a group, such as one-to-one literacy tutoring, services to homebound, resume writing assistance, homework assistance, and mentoring activities. Also, do not enter the number of programs or attendance in more than one category.
