- This is a free program offered by the Lawrence County Public Library, however, patrons will be charged for lost or damaged items.
- Patron or one of the below listed contacts must be present to accept materials in order to prevent theft of materials. Staff will not leave materials with anyone not listed on this application and the visit will be considered a missed delivery.
- The Outreach Coordinator will not assist with daily living activities or offer advice on financial, medical, or other personal matters.
- Patron can suspend services with notice, if extended stays are required at other facilities or residences.
- Patrons on this program cannot use the services of LCPL's physical location while on this program.
